

**IRISH RALLYCROSS CHAMPIONSHIP**

**PRODUCTION CLASS CAR REGISTRATION FORM**

23. All cars competing in this class must register for the championship. All drivers must fill out a registration form declaring which model of car you are using. You must also declare which engine, gearbox and ECU you are using by providing the code/part number for each item. If there is any change to any of these parts it must be declared before the car competes in a championship event and the registration form updated. Drivers who fail to complete the form and hand it in to the organisers will not score championship points. Points will not be back dated after late submission of this form.

ALL DETAILS REQUESTED BELOW MUST BE SUPPLIED. FAILURE TO SUBMIT INFORMATION BEFORE THE BEGINNING OF THE CHAMPIONSHIP WILL EXCLUDE THE COMPETITOR FROM RECEIVING CHAMPIONSHIP POINTS UNTIL THE INFORMATION IS SUBMITTED.
