

**Round 4 of the Motorsport Ireland 2017 Irish Rallycross Championship &
Round 4 of the Toyo Tires MSA British Rallycross Championship at Mondello
Park, Co. Kildare on July 22nd 2017**

Organised by the Mondello Park Sports Club

On Saturday 22nd July, the circuit will be run in an anti-clockwise direction. It's important all competitors are familiar with how to enter and exit the track throughout the day to ensure the smooth running of the event. A driver's briefing will be held at the start of the day to run through the event.

Competitors will drive from the paddock to the holding area via the back gate beside the scrutiny building. You should aim to be here 2-3 races prior to your race. At the end of each race cars will be released from the holding area and directed to the dummy grid at turn one. Here cars will be gridded as per the grid sheets. As one race starts the following race grid will be formed on the grid at the start line, so as to minimise any delay from the end of one race to the start of the next. Any driver who fails to arrive to the dummy grid on time may miss their race.

After taking the chequered flag competitors will drive through the joker lap section and turn left through the back gate into Parc Ferme at the scrutiny bay, as per the red arrows on the map above.
